Meet The Board

July 2024

Hi Neighbors of The Fountains! Rosie, my pretty little social Yorkie, and I moved into The Fountains a little over a year ago and we very much enjoy being here. I am also happy to have been appointed to the Board of Directors as Vice President.

I originally moved to Florida with my family (three brothers all of which have passed as well as both my mother and father) in 1954 from North Syracuse, New York. My father came in one night and said we are moving to Florida tomorrow. We as children thought he was running from something; ha! We have never found out. First living in Idamarado where my father helped build the first school. We finally settled in Hialeah.

In 1960, I began working at Wheeler's Drug Store after school hours as a cashier. After I graduated from Hialeah High, I worked in a department store as a waitress and became a short-order cook. In 1965 I worked for the Pepsi-Cola Company as a typist clerk/secretary, relief radio dispatcher, relief phone operator, front door receptionist, as well as a tour director all for \$1.30 an hour. Ha!

In 1966, I began working for National Airlines as a typist/secretary. Eventually, I transferred to the Scheduling Department, initially scheduling Flight Attendants in a temporary position and then as a permanent position with the pilots.

Pan Am Airways purchased National Airlines, and the Scheduling Department moved to New York. I remained in Miami and transferred to the Flight Academy, where I, with others, scheduled training for all the pilots. After the take-over of National Airlines, seniority was used to maintain a position with Pam Am and we were (what they called bumped) from position to position, which led to my work as a Ticket Counter Agent, Supervisor and Clipper Club Agent in the First-Class Lounge. After making weekly trips to New York, one morning at about 3:00 a.m. the boss returned from the meeting in Miami and told us the airline no longer existed! It was 1992. I had 25 years invested and nowhere to go. Unable to find employment. I returned to college in 1995, and graduated with a Masters in Social Work. I took a position in Washington, DC and also continued my education and received an Advanced Clinical Hypnotherapist Certification at the Wellness Institute in Issaquah, Washington.

In 2005, I returned to Florida to work at Tamarac Hospital in the hospice wing for 3 years, following a position with Vitas Hospice in Fort Lauderdale.

My interests were and still are walking bowling, tennis racquetball and dancing, and I was a social ballroom dancer for 10 years. Well, I still walk. Ha!
