Meet The Board

February 2025

Hello everyone! I'm Grace Lake, and my husband is Jack. I hail from Garden City, Long Island, NY, while Jack is originally from Saratoga Springs, NY. We made the move to the Fountains two years ago, and we absolutely love it here! What's not to love? The staff is incredibly friendly and helpful, making you feel right at home from the moment you arrive.

There are plenty of activities available for those who want to stay engaged, so you can be as active as you choose.

I've taken on the role of Chairman of the Food Services Committee because I believe it's important for everyone to contribute when they can. Our Dining Meeting takes place on the first Tuesday of each month at 10:00 AM in The Commons, and I warmly invite you to join us. It's a small, informal gathering led by Jamie, our Dining Room Services Director, along with Chef Brandon and Bruce, the Dining Room Manager. They provide updates on any new or important information, followed by a Q&A session where you can share your thoughts—whether it's praise, concerns, or suggestions. Your input truly matters to them! We would love to see some new faces at our meeting.

Wishing everyone a happy and healthy 2025!
There's so much for us to be grateful for.

Control your portion size

2. Start Walking

Exercising as little as 30 minutes
each day can reduce your risk.

3. Reduce Stress

Meditation
Soft music
Sitting outside
Get plenty of rest

4. Quit smoking:

Smoking is one of the
primary risk factors for heart disease

5. Get enough sleep:

Adults should aim
for 7 to 9 hours of sleep each night.
